

## LEAVE NO TRACE TRAINER COURSE

**WHEN:** Fri/Sat/Sun: October 21-23, 2016

**WHERE:** GEO Outdoor Education Center, Georgetown, Indiana

**DESCRIPTION:** This course will allow participants to learn and practice in an outdoor setting the 7 Principles of Leave No Trace and prepare individuals to act as Leave No Trace-recognized Trainers from Leave No Trace Center for Outdoor Ethics (www.lnt.org). The training includes 16 hours of hands-on instruction and overnight camping. The first night camping (Friday) will be conducted in a frontcountry setting impacted site and the second night camping (Saturday) will be conducted in a pristine backcountry setting. Participants will need to hike a short distance to the backcountry site.

**WHO:** Any individual adult or youth at least age 14 interested in learning and practicing the 7 Principles Leave No Trace Outdoor Ethics and teaching them to others. Typical attendees include backpackers, paddlers, Scouts, Venturers, Scout leaders, camp counselors, guides, outdoor groups/clubs, specialty outdoor retail associates and trip leaders. Every Scouting unit should have at least one Leave No Trace Trainer.

**COST:** \$65.00 per person if paid 15 days prior; \$75 thereafter. The fee covers all food, snacks and beverages, group equipment, camp fees, training equipment, training materials, a comprehensive LNT Trainer's Kit, certificate, and extensive educational support to conduct your own Leave No Trace Awareness Workshops.

***This course fulfills the requirement for the new Outdoor Ethics Action Award for Cub Scouts, Boy Scouts, and Venturing.***

## WILDERNESS FIRST AID CERTIFICATION COURSE W/OPTIONAL CPR-AED

**WHEN:** Sat/Sun: November 12-13, 2016

**WHERE:** GEO Outdoor Education Center, Georgetown, Indiana

**CPR/AED:** Fri: November 11, 2016 6 - 10 pm

**DESCRIPTION:** Accidents happen. People get hurt, sick, or lost. Would you know what to do? Many backcountry emergencies are preventable, and even when bad things happen, sometimes the wrong care can make things worse. By learning a few basic skills, you can make the difference between a good outcome and a bad one. WFA is 16 hours of instruction and practice that focuses on the basic skills of response and assessment, treatment and extended backcountry care.

**WHO:** This course is for the outdoor enthusiast or trip leader who wants a confident level of first aid training for outdoor trips. It meets all ACA, BSA, and WMS guidelines.

**COST:** \$145.00 per individual (discounted for recertification) for WFA course and an additional \$45 per individual for CPR/AED certification. Fee covers instruction, class materials, equipment, handouts, textbook, refreshments, and certification credentials.

Please note: You will receive a certification for this course and is taught by highly trained and experienced outdoor and wilderness medicine instructors and is endorsed by the Wilderness Medical Society. The Red Cross course *Wilderness and Remote First Aid* is an unaccredited course and is not a certification and is not recognized in the outdoor industry.
